Ada folks should be aware of the attached letter we have received for Senators Vitter and Inhofe on Pavillion. I know that Gary Foley and Cindy are.

All,

This meeting has been confirmed for tomorrow, Wednesday, Jan. 23 in the morning. The meeting will be approximately an hour.

The meeting will be between Ada Division Director, Gary Foley, and MR. Michael Southard fo the Ada Jobs Foundation. An invitation has been extended to Rusty Appleton with Sen. Inhofe, Paige Scott with Sen. Coburn and Amber Save with Cong. Cole.

Agenda items include: Ada 101; Work under Tribal Affairs; and student services/opportunities.

\*\*\*\* Should the question of Pavillion or Hydraulic Fracturing arise, it is requested that a more formal/broad meeting be scheduled. How should that be addressed/offered? Can you please advice.

All,

Our staff in Ada have received a request to host a lab tour this week. Date is pending confirmation call later in morning.

Request came from Michael Southard, Ada Job Foundation, and will include three staffers, including Sen. Inhofe's staffer.

I will receive a full list of names along with tentative agenda and will pass along shortly.
